

LIVING THE LOVE WALK

GATHER WITH US AT...

THE GATHERING

WHAT IS THE GATHERING?

The Gathering is a Ministry that is Spiritually Fit where God's children come together and through the practical application of His Word we learn to overcome life issues that control us.

It is a mixture of Church Service and Bible Study with group participation. As a Christ centered group of believers we share praise time and fellowship as we come together every Saturday morning to inductively study the Word of God. Our purpose is to overcome personal struggles and grow in spiritual maturity. Our focus is to achieve personal empowerment under girded by the Spirit of God which enables us to be of maximum service to the Christian Community and to the World!

We believe in staying God-conscious with a daily Spiritual Maintenance Plan.

If you don't have a Spiritual Maintenance Plan.....The devil has one for YOU!

Please join us as we "GATHER" together every Saturday morning!
